returned with joy, saying, 'Lord, even the demons are subject to us in Your name.'" Luke 10:17.

I can picture the joy these disciples experienced as they realized what great things God had done through them. And I believe I heard an echo of that same joy when two young men returned home with great news

about what God had done through them in their beloved country of Guatemala.

### Two Tireless Men

I had the privilege of meeting Manuel and Boris last year while visiting Guatemala City. Although Manuel is an attorney and Boris is a college student, somehow the Lord brought them together with the common goal of getting 3ABN Latino Network on cable in their country. They are tireless as they spend countless hours promoting 3ABN Latino in churches and special events, visiting cable companies, and encouraging anyone they meet to watch.

One of the reasons for my trip was to hold a press conference with the local cable companies in Guatemala City, announc-

ing that 3ABN Latino Network had been added to the lineup of one of the largest cable systems in the country. However, as the date approached, Manuel and Boris were worried that no cable company executives had confirmed that they planned to attend the press conference. Then they discovered that a national cable convention was scheduled during the same time!

Miraculously, a cable company executive volunteered to arrange for us to give a 15-minute presentation during the convention. That was even better! As a result the Lord blessed us with nearly ten more cable companies that wanted to add 3ABN Latino. Manuel and Boris reported that with this blessing, the Lord had increased our coverage in Guatemala to 34 cable companies.

### More Good News

But there's more good news. Our participation in that press conference turned out to be

instrumental in the invitation to have Manuel and Boris accompany cable company executives in a nationwide tour. Cable company executives asking them to promote 3ABN Latino to other cable company executives on a five-day nationwide tour? *Now that's amazing!* After the tour Manuel called

and was rejoicing—just like the disciples of old. There was a mixture of joy and gratitude in his voice for being allowed to be of service to the Lord *as He added 3ABN Latino to 39 more cable companies!*

"I can hardly believe what God has done," he says. "We can now say that nearly all of Guatemala will be able to receive 3ABN Latino Network on cable! God has accompanied us every moment of the way during this tour—and from the moment that Boris and I decided to work for the Lord with 3ABN's ministry."

We thank God for these volunteers. Please join us as we pray for many more like Manuel and Boris in every country. ■
